Kinder – 5th Grades

Our Program Mission Statement

Throughout the past year we have talked about parents' roles in their children's faith formation, the role of high context learning and other concepts hopeful to our children's religious growth. We have not discussed our mission and I offer the following mission statement regarding our specific elementary level religious education program. Our mission is to assist parents by giving parents knowledge and support they need to build faith opportunities in order for parents to educate their children in the Catholic faith. Our program builds strong moral and spiritual foundations by nourishing families, children and catechists. Our program increases the fundamental religious knowledge to inspire growth of sacramental awareness.

With our mission in mind, we reinforce the diocese's fourth essential element to engage the heart the mind and the hands.

Reminder: Parents are reminded of parent meetings as part of the religious support to strengthen the link between families and religious education. We welcome suggestions on topics you would like us to cover. Email me at enedina@stalbertnewmancenter.org. Thank you.

From the Deacon David

Dear Friends,

On October 13, 2019, an event of significance to us as member of the St. Albert the Great Newman Parish will take place in Rome. On that day, in St. Peter's Square. Pope Francis will canonize Blessed John Henry Newman a saint. Four other persons, three nuns and a consecrated virgin of the Third Order of St. Francis, will be canonized with him.

Why is this significant to us? Because a large number of Newman Centers (or Newman Societies in England) are named in his honor, just as our parish is. Newman Centers provide pastoral services and ministries to Catholics at non-Catholic universities. He also has number of colleges and universities named for him.

He has a long and fascinating history. He was born in London on February 21, 1801. Although he was not spectacularly successful in his college studies, he did well in post-college life. He became an Anglican priest, on June 13, 1824. During his Anglican priesthood, he became well known even if controversial, in his teaching and leadership. He left the Anglican Church in 1845, an event that cost him many friendships, including that of his sister who never spoke to him again.

Newman was ordained a Catholic priest in 1847. By this time, he was a well-known author, poet, and supporter of education. His writings are considered among some of the most important church writings in recent centuries. He founded several colleges which later grew to be part of some of the largest and most important schools in England and Ireland. He continued to be a controversial church leader who suffered many hardships.

Even so, Fr. Newman was elevated to the office of Cardinal even though he had not been ordained a bishop! This itself was an exceptional tribute to him.

Cardinal Newman died in Birmingham, England, in 1890, at the age of 89. He will be remembered in our Masses on Sunday, October 13th.

God bless you all,
Deacon Dave McNeill
